

## Mayor's Message: Lehi Round-Up Celebration!

Lehi City welcomes all to attend and participate in the 2010 Round-Up Celebration. If you are new to our community or just visiting for the festivities, I hope you'll enjoy your time during this special occasion—as our citizens have enjoyed for many years.

Even though Lehi City is one of the fastest growing communities in north Utah County, it has stayed true to its pioneer roots by maintaining one of the few miniature parades in the country. However, the miniature parade and the always popular rodeo are only two of the highlights of the Lehi Round-Up Celebration.

Lehi City hosts several activities in connection with the Lehi Round-Up. Details of those events are included in this month's newsletter. There are many opportunities for you and your loved ones to enjoy.

As Mayor I want to thank all the great citizens of Lehi who volunteer to make all these special events possible. I especially want to thank the Civic Improvement Association and the Celebration Committee volunteers who work tirelessly for the benefit of all Lehi Round-Up attendees. These folks ensure that Lehi stays true to its pioneer heritage by continuing traditions and providing wholesome entertainment that can be enjoyed by families of all types and ages.

Lehi City truly is a great place to live and a community where citizens come together to help one another.

—Mayor Bert Wilson

## FITNESS ETIQUETTE 101

Most exercise enthusiasts are interested in becoming better, stronger and faster. While that is fine, training smart is important. While in the weight room, please use the amount of weight you can control with both the eccentric and concentric parts of the exercise. Please do not drop the weights on the floor. Use safety collars on the Olympic bars at all times; and use a spotter when necessary. Power-lifting techniques are not allowed in the weight room. Our equipment and flooring is not designed for that purpose. To ensure our equipment lasts longer, please know that weight belts may not be worn while leaning against or lying on the exercise machines or benches.
